INDESTRUCTIBLE COTTAGE AND BARN PAINTS.

The "Indestructible" paints, first introduced some years since in ten colors only for Barns and Outbuildings, and all places where a particularly fine paint was not required, have so grown in popular favor that we have, at the earnest solicitation of customers in all parts of the country, decided to furnish them in 23 colors, so supplying **a reliable low-priced paint,** in suitable shades **for all classes of painting.**

They are second in quality and durability only to our celebrated "Ingersoll's Liquid Rubber Paint," and will be found **superior to anything sold in the stores at from 25 cents to 50 cents more per gallon.**

The "Indestructible" paints are sold **entirely on merit,** and as the best possible guarantee that can be offered to their durability and general good qualities, we herewith present a few of the many letters constantly received from customers. **These letters** (exact copies of originals in our possession) **were written after years of personal experience with the paint.**

Hartford Co., Conn.,

MR. O. W. INGERSOLL, Dear Sir:—I am a painter and used your "Indestructible" Paint on the barn of Mr. H. J. Hart, which proved very satisfactory indeed. Truly yours,
FRANKLIN J. SMITH.

London Co., Va.,

MR. O. W. INGERSOLL, Dear Sir:—I was glad to advise my neighbor that I have had twelve years' experience with your paints. Our School Board painted four schoo.-nouses with your "Indestructible" Paints, using one barrel and some kegs, and it has proven entirely satisfactory, standing in every way quite as long and looking quite as well as any Paints costing nearly twice as much. Sincerely yours, C. C. GAVER, Notary Public.

Tioga Co., Pa.,

Orange Mutual Life Insurance Co.

Mr. O. W. INGERSOLL, Dear Sir:—You do not have to send testimonials to convince me as to the merits of your Paints. There is a barn in this neighborhood painted over ten years ago one coat, that is to-day apparently as good as ever, and this is the best possible kind of evidence as to the durability of your "Indestructible" Paints.
Truly yours, L. H. JOHNSON.

Cumberland Co., N. J.,

MR. O. W. INGERSOLL, Dear Sir:—Your "Indestructible" Paints are thoroughly satisfactory in every way and cheaper than even the common paints sold on the market. I shall take pleasure in recommending them to my friends.
Truly yours, FRANK T. MOORE.

New Haven Co., Conn.,

MR. O. W. INGERSOLL, Dear Sir: Your "Indestructible" Barn Paint is, without exception, the best that any man could expect, We are now going to paint our house.
Repectfully yours, C. V. WOODRUFF.

Effingham Co., Ga.,

MR. O. W. INGERSOLL, Dear Sir:—The ten gallons of "Indestructible" Paint applied to the outside of my house in 1898, I found in every way as represented, and has given me complete satisfaction. I am well pleased with it indeed and want more.
Respectfully, SAMUEL SMALL.

Lebanon Co., Pa.,

MR. O. W. INGERSOLL, Dear Sir:—Please send Sample Cards of Paints. We have used your "Indestructible" Paints for years, even when my father, C. P. Steinmetz, was alive, and the paints were uniformly satisfactory, being remarkable for their holding quality and retention of color.
Truly yours, ROBERT STEINMETZ.

Jackson Co., Ills.,

MR. O. W. INGERSOLL, Dear Sir:—Your "Indestructible" Paint is, in every way, as represented. Its use on my two barns has proved very satisfactory indeed, and I heartily recommend it as a thoroughly reliable and durable paint.
Respectfully, FRANK IMHOFF.

Morrow Co., Ohio,

MR. O. W. INGERSOLL, Dear Sir:—I am thoroughly well pleased with the twenty gallons of Rich Red "A" Indestructible Paint purchased from you. It shines like a glass bottle. My painter too was wonderfully surprised when he came to put on the second coat, and he says he thinks it will last a life time. Yours,
E. P. TITTELBAUGH.
